# Set your Digital Business Card 1

[www.LeadsOman.com](http://www.LeadsOman.com)

## Step 1: Sign Up & Create Your Digital Business Card

Sign up on our website [www.leadsooman.com](http://www.leadsooman.com) and create your digital business card. Within 1 minute, your card will be ready with advanced features and a QR code.

## Step 2: Make Payment & Place Your NFC Card Order

Complete your payment and place an order for your NFC business card.

## Step 3: Design Approval & Delivery

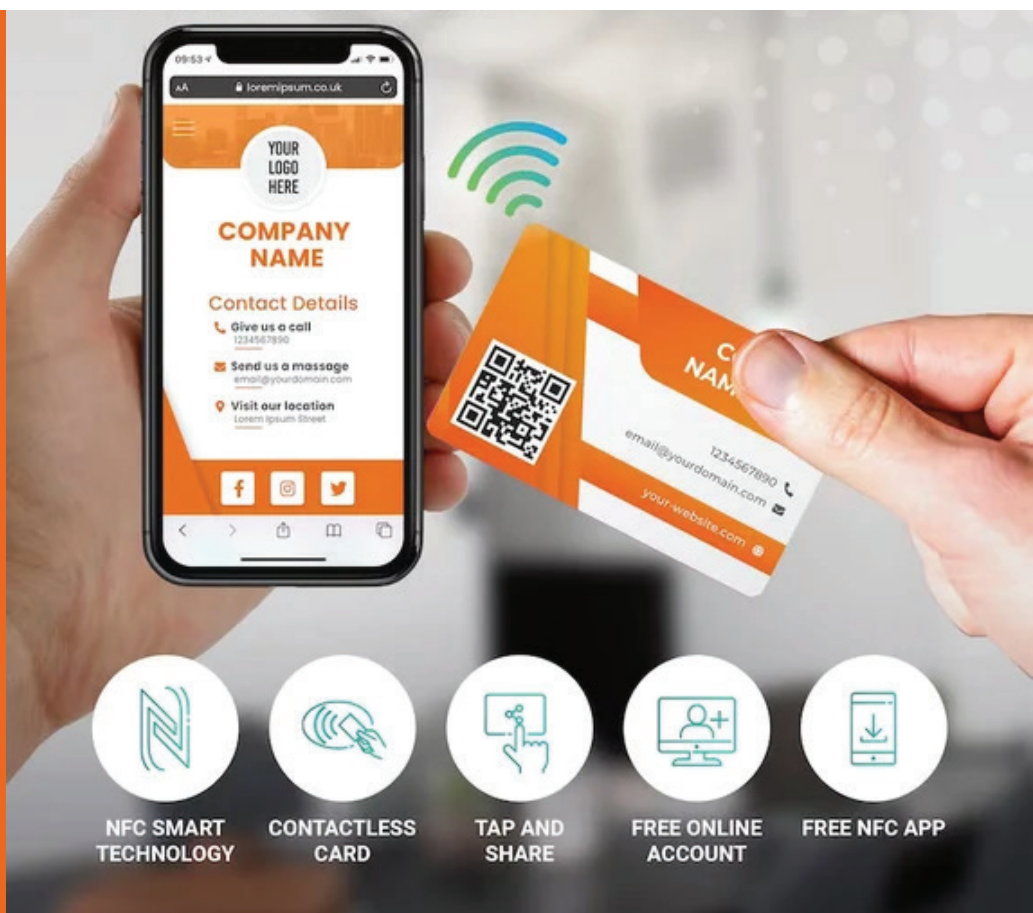

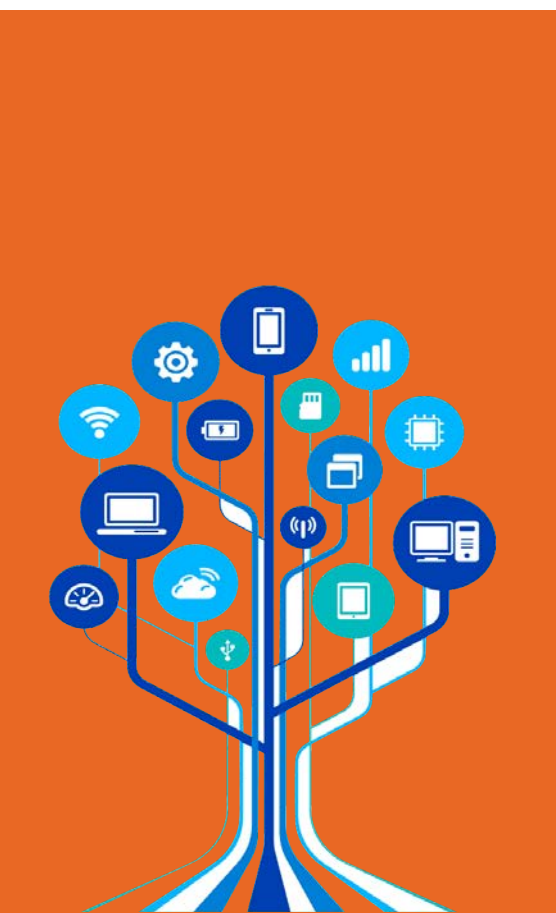

Our agent will contact you to confirm and approve the card design. Once approved, your printed and programmed NFC card will be shipped within 7 working days.
